Subject: Lifeline/Link-Up Matters

A few issues have arisen this year for Lifeline and Link-Up:

- 1. Monthly count information is provided for Lifeline, but we are not receiving statistics on Link-up. We would like to receive that information as well. Please let me know if there are impediments to providing those numbers.
- 2. We have new contacts at DHHS and MSHA for verification of Lifeline eligibility. Many of you have already been working with John McGIII at DHHS. His contact information is:

John McGill
Fam Indep Unit Supv
DHHS
268 Whitten Rd
Augusta ME 04330
207-287-3590
John.McGill@maine.gov

Maine State Housing Authority has now designated their contact person as well:

Jason Bullock
MSHA
353 Water St
Augusta ME 04330
207-624-5798
jbullock@mainehousing.org

CAD Bulletin 2008-2 January 2, 2008 Page 2 of 2

Mr. Bullock let me know that some data submissions already sent to MSHA have made their way to him.

If you have any questions or comments about the reporting requirements for Link-Up or the current Lifeline/Linkup verification process, please contact me by phone (207-287-4974, ext 2003) or by e-mail (kathy.adams@maine.gov).

Thank you.
